

Biografie regisseur 'FRANKIE15' Livia Perneel

Livia Perneel behaalde in 2016 haar master diploma filmregie aan het Ritcs met haar eindwerk 'FRANKIE15'.

Met haar intieme en poëtische manier van vertellen, wil ze graag thema's belichten die dichtbij iedereen staan, maar niet de aandacht krijgen die ze verdienen.

Biography – English

In 2016 Livia Perneel graduated from Audiovisual Arts with a Master in Film Directing at Ritcs School of Arts in Brussels. At her age of 23, she is currently living in the capital of Belgium, Brussels.

Born at the seaside of the country, she wants to give a fresh breeze to cinema.

With an intimate and poetic way for storytelling, she intends to illuminate truthful subjects that are closer to the majority, but that do not receive the awareness they deserve.

One of her key inspirations is to explore the world in order to find simultaneous experiences in different cultures and divergent contexts. Immersing herself into foreign languages such as English, French and Spanish gives her a clear insight into new cultures and other life perspectives.
